have not past, yet I have not past; So that I  
 like a span, length much like a span: My age is  
 tears that, re - gard my tears that fall; I so - journ  
 to re - store, strength for to re - store, Be - fore I

Which yet I have not, have not past;  
 In length much like a, like a span:  
 Re - gard my tears that, tears that fall;  
 My strength for to re - store, re - store,

8 have not past, yet I have not past; So that I  
 like a span, length much like a span: My age is  
 tears that, re - gard my tears that fall; I so - journ  
 to re - store, strength for to re - store, Be - fore I

Which yet I have not, have not past;  
 In length much like a, like a span:  
 Re - gard my tears that, tears that fall.  
 My strength for to re - store, re - store.
