1 How long wilt thou forget me, Lord?
Must I forever mourn?
How long wilt thou withdraw from me,
Oh! never to return?

2 How long shall anxious thoughts my soul,
And grief my heart oppress?
How long my enemies insult,
And I have no redress?

3 O hear, and to my longing eyes
Restore thy wonted light;
And suddenly, or I shall sleep
In everlasting night.

4 Restore me, lest they proudly boast
'Twas their own strength o'ercame;
Permit not them that vex my soul
To triumph in my shame.

5 Since I have always plac'd my trust
Beneath thy mercy's wing,
Thy saving health will come, and then
My heart with joy shall spring.

6 Then shall my song, with praise inspir'd,
To thee, my God, ascend;
Who to thy servant in distress
Such bounty didst extend.

Doxology: To Father, Son, and Holy Ghost, the God whom we adore,
Be glory; as it was, is now, and shall be evermore.
