This adaptation of the aria 'I Know that my Redeemer Liveth' from Handel's 'Messiah' comes from the Norwich Tune book 1844. First recorded as HTI 3501a in 1770, there were many variants, This is the only known version of HTI 3510i, found in A. McDonald's 'New Collection of Vocal Music', 1807. The text here has been adapted from a Long Metre versification by Charles Wesley.
