turn - ing Morn, Hail this re - turn - ing Morn;
 breast in - flame, Each grate - ful breast in - flame;

1 Let cheerful smiles in ev'ry face
 Hail this returning Morn;
 On which to save a ruin'd Race
 The Son of God was born.

2 Let holy Love and sacred Joy,
 Each grateful breast inflame,
 While Choirs of Angels from the Sky,
 His wond'rous birth proclaim.

3 In Ranks of bright Array they move,
 And Hymns of triumph Sing,
 With Notes of harmony and Love,
 The heav'nly regions ring.

4 Glory to God who reigns on high,
 Let Earth with peace abound,
 For t'wards the Sons of men this Day,
 Divine good-will is found.
